

**Because keeping you safe is our top priority...
Please take a moment to read through the following
care and use instructions for your new glasses.**

1 The NoCry glasses

Anti-scratch
Anti-fogging

The lenses have anti-scratch and anti-fogging treatment.

2 Cleaning your glasses

Clean the glasses only using a dry or water-moistened soft micro-fiber cloth. Do not use chemicals.

3 Storing your glasses

When not in use, store the glasses in a protective case.

nocry.com

4 The glasses are highly adjustable

Temple length & angle
Nosepiece

Adjust the glasses so that they will fit your face securely and comfortably before each use.

5 Fit glasses correctly to avoid condensation

No airflow = Condensation
Airflow

If there is condensation building up on the lenses try to adjust the temple angle.

6 Carefully assess your working environment

IF IN DOUBT
Occupational Safety Professional or Industrial Hygienist

Make sure that the glasses are the most suitable means of protection from potential threats you are likely to be exposed to in your working environment.
